NEW HOPE HIGH

foreword

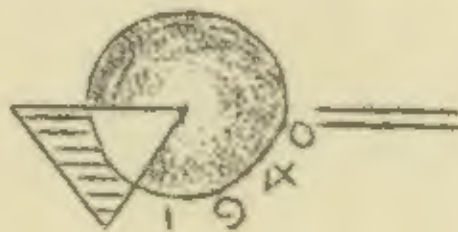

So that high school days may never slip
into the forgettable past, we pause to record
here some of our happy memories. We will always
remember our high school and the pleasant times
had while working together. Although we are now
saying good-by to our high school days, we will
always remember the friendships and the asso-
ciations we enjoyed and the ideals we have formed.

°dedication

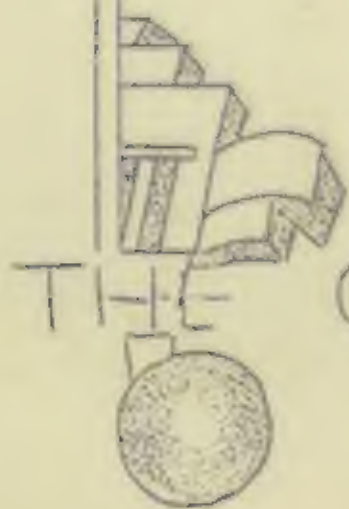

We, the class of 1940, dedicate our first
volume of "The Colony" to a group which has been
our greatest guide and our best friend during
the years we have spent within our school. May
we, in some small measure, show our sincere
appreciation and dedicate this book to the faculty
of New Hope High School.

class president's *Message*...

To the Class of 1940:

We came into the halls of New Hope High School for the purpose of studying and becoming good and worthwhile citizens. During the four years we have been in school, we, as a class, have helped in a small way to make N. H. H. S. what it is now, and hope that future classes will do better. The cooperation we have received from our supervisors has been splendid, and we will miss it in our future work. As we leave these dear old halls, we leave behind four years of hard studying which have been happiness for some, regret for others, but all have enjoyed them very much.

We leave also, best wishes for the coming classes. As the old saying goes, "All good things must come to an end."

In the past year our school has witnessed, aside from our regular school activities, many social events and joyous gatherings; times when we toggled up in tuxedos, dinner jackets, evening dresses, wraps, and silver slippers; the thrill of tripping the light fantastic for four glorious hours, with a few minutes' visit now and then to the punch bowl.

On the other hand, we have whiled away the hours in an informal manner. These good old plaid skirts, accompanied with shetland sweaters and saddle shoes, also had some glorious times. Reversing the scene we see girls walking up to the lads and asking them for "this dance."

Once or twice this year we gazed upon the dramatic ability of our school chums. Even though we realize it was a lot of effort on the part of those who produced the finished product, we all enjoyed it and were thrilled at the thought of seeing them on the stage. Most of us, although we were not on the stage, dressed up in costume and mask once this year. Some of us were walking around in the fashion of skeletons, black cats, and, on the royal side of life, as kings and queens. Passing the broom from one couple to the next, we all had the opportunity of meeting "he" or "she." With blue lights aglow and an atmosphere of the holiday season, we all did the Paul Jones, and the Virginia Reel. And last, but not least, there were Jitterbugs, which always add to the scene. Even though the events are over, the fine memories linger within.

Parties.

HALLOWE'EN PARTY

During the afternoon of October 31, the students of the Junior and Senior High School held a party to celebrate Hallowe'en.

For assembly Miss Frantz directed a hilarious one-word play entitled "Jerry Walks In" written by Patry Franck, '42. After the play the students were divided into ten groups which rotated from room to room for games. Then original masks were donned in the corridor. Prizes were awarded.

After an afternoon of fun, refreshments were served in the lunch room.

A social committee which was formed at the beginning of the first semester was in charge of the celebration.

CHRISTMAS PARTY

On December 22, a very interesting assembly was held in the first part of the afternoon. It was followed by individual home-room parties. Gifts were exchanged by those who participated in the name-drawing.

After the excitement of this was over, everyone was treated to ice cream and various kinds of cakes made by the students' mothers. Everyone had a very enjoyable time that afternoon with a ten-day vacation in view.

School was then dismissed early.

Many novelty dances such as the Paul Jones, the broom dance, and the tag dance took place. Refreshments were sold to eager buyers.

The dance was a great success, and the school is looking forward to another leap year dance in 1944.

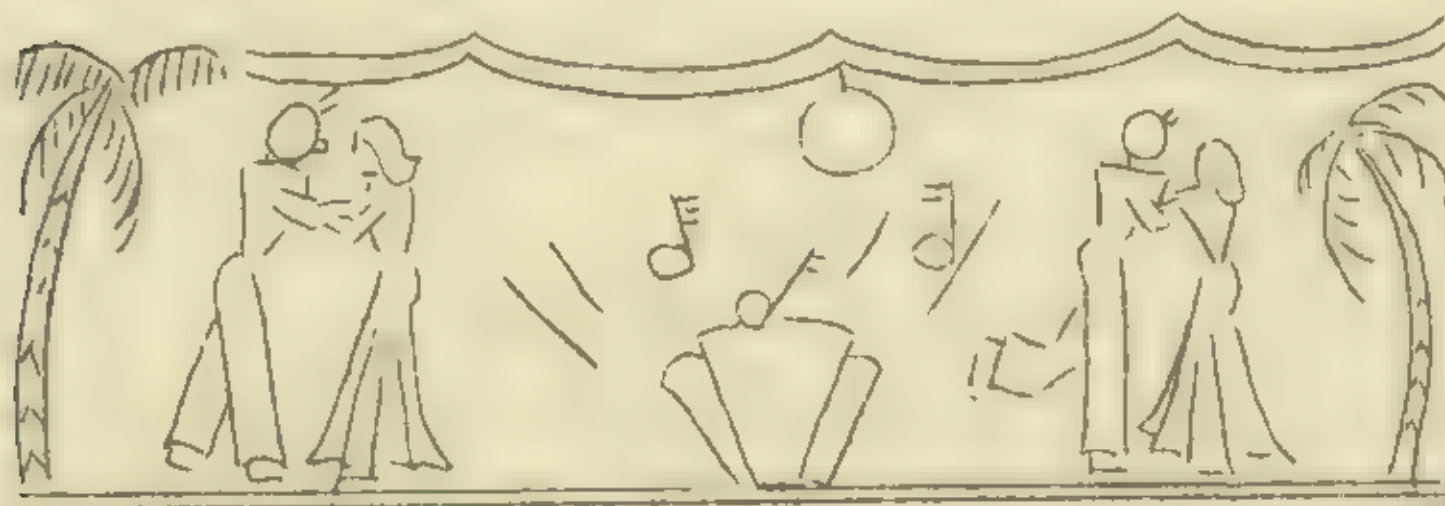

Junior Prom

In the spring of 1940, the Senior Class as guests of the Juniors were entertained at the Junior Prom which was held on May seventeenth, at Worthington's Hall.

Under a canopy of blue and white and to the strains of Clyde Walton's music the annual Junior Prom became a school memory not soon to be forgotten.

Being the one formal affair of the year, the boys stressed spring in their clothes and the frills of the summer evening gowns crowded the dancers as they swirled about the floor.

Everyone is looking forward to a similar occasion next year, since this is perhaps the most gala event in the social calendar of the high school.

SPORTS

Competitive sports for boys originated in the "school on the hill" about the year 1920 in the forms of track and baseball. The teams were coached by various people in the community.

In 1930, Mr. Willard S. Campbell, Jr., the science teacher, served as coach for N. H. H. S. During his stay of six years, many trophies were won in track, baseball and football.

Mr. Clyde M. Davis, our present coach, came to us in the year 1938 from Temple University. At this time, physical education was introduced as a regular course in N. H. H. S. and extra - curricular athletics were reorganized placing stress on soccer, basketball, baseball, and track.

Great strides were taken in renovating the athletic field. The boys, under the supervision of Coach Davis, have graded and rolled the baseball diamond, built bleachers and backstops, lined off basketball, soccer, track and volley ball areas.

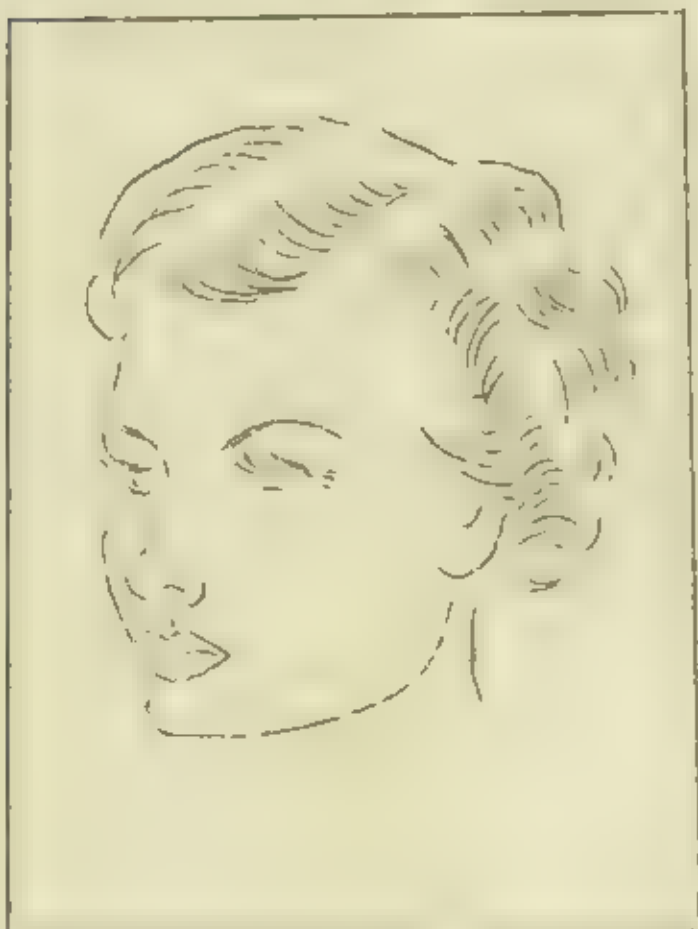

Indoor sports are also on the athletic program; ping-pong and quoits being the most popular.

Due to the keen interest of the students, and the able leadership of Coach Davis, N. H. H. S. athletics rate with the best in its class.

COACH DAVIS

SPORTS

COACH DAYLOR

Originally the girls' sports at New Hope High School were not in the fields of hockey or baseball but in track. In the spring of 1929, the girls went to George School for their first meet. The coach, Miss Mildred Rossiter, was a student of N. H. H. S. at that time. Yearly the girls entered the meets usually coming away with first place, sometimes with the help of the boys but often due to their own merits alone. These meets continued until several years ago at which time Play Day was instigated for Class B schools.

In the fall of 1935 hockey was started for the first time in New Hope under the coaching of Miss Rule. In the following spring baseball was also started. These sports have proved very popular with the girls. It is the hope and expectation of "The Colony" that the girls will continue to be as successful as they have been in preceding years.

BASKETBALL

The class of 1939-1940 basketball season resulted with a splashy victory for the Purple and Gold dribblers.

The most exciting game of the season was played at Buckingham at which time the N. H. H. S. lads brought home a 21-18 victory. The following was the season's line-up:

HOCKEY

The fall of every year brings excitement and anxiety to the girls of N. H. H. S. for everyone is wondering who will make the varsity. For the past few years the girls put New Hope on the map during the months of October and November (no reflection on the boys, however).

New Hope has belonged to the Lower Bucks County League for several years and up until the present year, the team has been coached by Miss Rule, a member of the faculty. This year Miss Naylor, the physical education instructor, took over the coaching and has been quite successful.

Last year Miss Rule's "Little Wild Kittens" were defeated by Buckingham, 2-1, thus placing them second in the league. This year, however, not even Buckingham could stop the girls and they "walked off" with first place. With the honors went also the cup and a delicious banquet. High scorers for Purple and Gold lassies were: Captain Helen Evans, center-forward; Louise Schwartz, right-inside; and Rita Flood, left-inside.

Members of the varsity were:
